

# Krasnoyarsk State Agrarian University

# UNIVERSITY

- 9099 students
- 181 post graduate students
- 6 representative offices
- 1 branch
- 3 educational farms
- 3 training centers
- 17 agroclasses in the region

## Areas of study

# TODAY

The day of signing the decree of the Council of Ministers of the USSR on the opening of the KAI

## 7 INSTITUTES

---

## 43 DEPARTMENTS

---

## 1 TRAINING CENTER FOR MID-LEVEL SPECIALISTS

# 376

## TEACHERS

**74 %**  
candidates  
of sciences

**19 %**  
doctors of science

# AREAS OF TRAINING

## Institute of Applied Biotechnology and Veterinary Medicine

**06.03.01** Biology

**35.03.07** Technology  
production and processing  
of agricultural products

**36.03.01** Veterinary and  
sanitary examination

**36.03.02** Animal husbandry

**36.05.01** Veterinary  
Medicine

**36.04.02** Animal husbandry

## Institute of Land Management, Cadastre and Environmental Management

**20.03.01** Technosphere  
safety

**20.03.02** Environmental  
management and water use

**21.03.02** Land management  
and cadastres

**21.04.02** Land management  
and cadastres

## Law Institute

**40.03.01** Jurisprudence

**40.04.01** Jurisprudence

## Institute of Agroecological Technologies

**35.03.03** Agrochemistry  
and agro-soil science

**35.03.04** Agronomy

**35.03.10** Landscape  
architecture

**05.03.06** Ecology and  
nature management

**44.03.04** Vocational training  
(by industry)

**35.04.03** Agrochemistry  
and agro-soil science

**35.04.04** Agronomy

**35.04.09** Landscape  
architecture

# NG / SPECIALTIES

## Institute of Economics and Management of the Agro-Industrial Complex

**09.03.03** Applied computer Science

**38.03.01** Economics

**38.03.02** Management

**38.03.04** State and municipal management

**38.04.01** Economics

**38.04.02** Management

**38.04.04** State and municipal management

## Institute of Engineering Systems and Energy

**35.03.06** Agroengineering

**23.05.01** Ground transportation and technological facilities

**35.04.06** Agroengineering

## Institute of Food Production

**19.03.02** Food products from vegetable raw materials

**19.03.03** Food products of animal origin

**35.03.07** Technology of production and processing of agricultural products

**19.04.02** Food products from vegetable raw materials

**19.04.03** Food products of animal origin

## The center for training middle-level specialists

**19.02.12** Technology of food products of animal origin

**35.02.08** Electrotechnical systems in the agro-industrial complex

**35.02.13** Beekeeping

**35.02.14** Hunting and animal husbandry

**38.02.01** Economics and Accounting (by industry)

## Infrastructure

- 14 academic buildings
- 8 dormitories
- 8 canteens and cafes
- 1 scientific library
- 1 sports hall
- 1 horse-racing complex

## Extracurricular activities

- 25 student associations
- 14 sports sections
- 11 creative teams

## The contingent of foreign students

**332** foreign  
students

**277** Tajikistan

**19** Kyrgyzstan

**13** Uzbekistan

**6** Iraq

**6** China

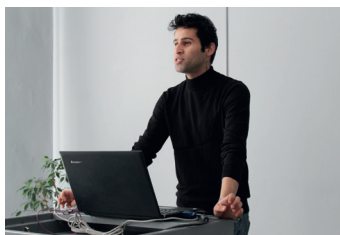

**4** Kazakhstan

**3** Azerbaijan

**2** Mongolia

**1** Nigeria

**1** Syria

# **Krasnoyarsk State Agrarian University for International Students**

**The course «Russian as a foreign  
language»**

**Preparatory department for foreign  
citizens**

**Conducting international conferences**

**Getting to know the culture and traditions  
of Russia and the Krasnoyarsk Region**

**Contact information:**

**90 Mira ave., Krasnoyarsk, 660049**
